

This image shows a page from a handwritten church register, likely a burial register, from the period 1666-1729. The page is divided into three columns by vertical lines. The left column contains dates and month abbreviations. The middle and right columns contain names of individuals, often followed by their birth or death dates. The handwriting is in a cursive script typical of the 17th and 18th centuries. The page is numbered '1' at the top left and '6' at the top center. The entries are as follows:
